

E2S Group

Trusted Experts in Security & Logistics – Backed by 15+ Years of Experience

We are a group with nearly two decades of experience in both **security** and **logistics**. In security services, **we protect people, property, and assets across Malaysia** — offering trusted solutions such as guarding, escort services, site protection, and cash-in-transit operations.

Our logistics arm provides efficient, value-added services with a dedicated fleet of vehicles and warehousing facilities. We continuously upgrade our capabilities to meet our clients' evolving needs, delivering end-to-end professional solutions trusted by businesses nationwide.

E2S High End Vault

Highly secure storage

Access is strictly restricted to authorized personnel under tight security protocols.

Long-term, short-term and in-transit storage

Vaults built to the highest security and compliance standards for all valuables.

Full risk insurance coverage

In our warehouses with state of the art security technology, your goods are always in safe hands and fully insured.

E2S High End Vault

Our vault is a symbol of top security and high status — a safe place where strong protection meets elegant design. Built with the latest technology, every part is carefully made to protect your most valuable items. From fingerprint access to strong, secure walls, everything is designed to give you complete peace of mind.

Our high-profile clients entrust us with their treasures, knowing that discretion is our hallmark and protection is our legacy. Whether securing rare collections, confidential documents, or irreplaceable heirlooms, our vault stands for a trusted symbol of exclusivity, security, and lasting excellence.
